**Uganda**

**Objective** : Provision of office furnishings, IT equipment, and project supplies for U.S. Federal Agency. IPA has extensive experience with Federal Agencies located in sub-Saharan Africa.

**Projects Executed**: IPA has executed a wide variety of projects for U.S. Agencies in Africa for over 25 years. Notable projects in 2011 include voltage stabilizers, HP printer toner, and lawnmowers.

**Equipment & Supplies** : Home & Office Furniture; Generators & Spare Parts; Vehicle Spares; Voltage Stabilizers; Uninterruptable Power Supplies; GE Appliances (220V); Hospitality Kits; Water Filtration Systems; GPS Units; Desktops & Laptops; Medical Equipment; Air Conditioners; & Much More.

**Supply Chain & Logistics** : IPA provides warehousing, inventory control, asset management and consolidation at our own on-site facility. IPA can consolidate many smaller orders from various manufacturers into one large shipment. This allows for better freight rates and less time spent on customs clearance on international shipments. For domestic shipments IPA can ship via Diplomatic Pouch Mail (DPM), U.S. Despatch Agency (USDA), Diplomatic Post Office (DPO), commercial trucking and courier. For international shipments, IPA can ship via air freight, sea freight, and courier.

**Support & Aftersales** : IPA assists with the facilitation of all manufacturer warranties. Clients have come to expect the highest level of care when ordering with IPA.
