Diane Swallen – Project Coordinator (USA)  
Chris Scheid – Project Specialist (USA)

**Nigeria, Burundi, Indonesia, Israel, Mauritania, Ethiopia, Madagascar, Azerbaijan, Mali, Serbia, Uganda, Zambia, Philippines, Haiti, Ecuador, Uzbekistan.**

**Objective** : Provision of home and office furnishings, IT equipment, and general project supplies for U.S. Federal Agencies worldwide. IPA has extensive experience working with Agencies facing tough logistical circumstances, such as those countries that require multi-modal transportation in order for the goods to reach their final destination. IPA has recently begun working with additional Agencies in the Middle East, Asia and South America!

**Projects Executed**: IPA has been supporting projects for U.S. Federal Agencies since the opening of our U.S. office in 1983. Notable projects in 2014 included: Custom Electric motors for Uganda, Furniture, Gym Equipment, & Household Goods for Mali, Garage Equipment for Haiti, Sound Equipment for Uzbekistan, Electronic Tablets for Serbia, and Gym Equipment for Nigeria.

**Equipment & Supplies** : Home & Office Furniture, Generators & Spare Parts, Garage Equipment, Voltage Stabilizers, Various Electrical Equipment, Uninterruptable Power Supplies, Irrigation System Parts, Water Filtration Systems, Ladders, Floor Tiles, Commercial Gym Equipment, Servers, Desktops & Laptops, Medical Equipment, Air Conditioners & Much More.

**Supply Chain & Logistics** : IPA provides warehousing, inventory control, asset management and consolidation at our own on-site facility. IPA can consolidate many smaller orders from various manufacturers into one large shipment. This allows for better freight rates and less time spent on customs clearance for international shipments. For domestic shipments IPA can ship via Diplomatic Pouch Mail (DPM), U.S. Despatch Agency (USDA), Diplomatic Post Office (DPO), commercial trucking and courier. For international shipments, IPA can ship via air freight, sea freight, and courier.

**Support & Aftersales** : IPA assists with the facilitation of all manufacturer warranties. Clients have come to expect the highest level of care when ordering from IPA.
